"SKETCHBOOK USA," (https://infocentral.state.gov/uploads/sb/Vm/sbVmg-8Pj0OWOO9Swz_vYA/StateDept_book_spread-6MB.pdf) provides an overview of the United States and its people. This book is a 21st-century version of Portrait USA, providing a sweeping look at the United States in six chapters. It offers background on the principles of government, the responsibilities of the voters, the diversity of the population, the accessibility of education, the strength of communities, and the pursuit of happiness. With an emphasis on brief articles, features, photo-stories, graphs and tables, the publication is both substantive and accessible, appealing to both elite audiences and young readers. More than 150 photographs are featured in a vibrant, colorful layout.
